Avoid These Words When You Write

A lot, very, many, things, lots, stuff, says, really, absolutely, amazing, awesome, interesting, bad, totally, fairly, actually

Rewrite the following paragraph so that it is descriptive and does not use any of the words above

School is actually not that bad. There is a lot of stuff to do. Some of my classes are interesting. In science we do awesome experiments. And in English we write about a lot of cool stuff. The school day seems very long sometimes, but it could be worse. Overall, school is aight. Lol.
