MESSI Vs RONALDO

Who is the GOAT?

Sometimes you need to make a bold statement. And by bold, I mean a GOAT statement. When you make the claim that someone is the GOAT, you are saying that they are the Greatest Of All Time. For example, some people claim that Messi is the GOAT. But is he? Is he really the greatest soccer player of all time? In basketball, many claim Michael Jordan is the goat. But is he? What if prime Michael Jordan played against prime Kobe, prime Lebron, or prime Kareem Abdul-Jabbar?

Your mission for the following task is to give an in-depth explanation of someone you think is the GOAT. It can be a gamer, a YouTuber, a scientist, a baseball player, anything. Just be sure you are specific and clear about what makes this person the GOAT. And be prepared to defend your claims.
