## CHANGE IS HERE TO STAY

**T**HE LATE ASTRONAUT JAMES IRVING might think going to the moon was the project over, but they literally threw it on the moon. We had to adjust our course and get only fifty feet inside of the spot we landed. On that mission, every change was essential to success.

Max DePree advised, "When you can't change of the wind—adjust your sails." We cannot need to be by remaining what we are, it's the only thing that brings growth. There is permanent as change.

Everyone wants to change the world, but changing himself.

*He who ignores discipline comes to poverty, shame, but whoever heeds correction is honored.*

The road to success is always made of acceptance of your present creation.
