Punctuation Practice

Your mission is to add punctuation to the following paragraph. Add periods, commas, dashes, and more. When you are finished, you will see how your punctuation compares with the original paragraph. Then you need to rewrite the paragraph so the punctuation is perfect.

Add punctuation to the following paragraph:

Instagram has evolved into a vibrant and influential social media platform that revolves around visual storytelling as a photo and video sharing app it allows users to capture and curate moments from their lives it offers a glimpse into people's experiences perspectives and creativity it comes packed with filters and editing tools that allow users to share photos in unique ways instagram also fosters a thriving community of creators influencers and businesses overall Instagram is an excellent app for a variety of people with a variety of interests

Rewrite the paragraph so that the punctuation is perfect.

Here is the original paragraph. Keep in mind that students don't need to follow this template exactly. Punctuation can be used in a variety of ways.

Instagram has evolved into a vibrant and influential social media platform that revolves around visual storytelling. As a photo and video-sharing app, it allows users to capture and curate moments from their lives. It offers a glimpse into people's experiences, perspectives, and creativity. It comes packed with filters and editing tools that allow users to share photos in unique ways. Instagram also fosters a thriving community of creators, influencers, and businesses. Overall, Instagram is an excellent app for a variety of people with a variety of interests.
