Where do you see yourself in 5 years?

So here is your question: Where do you see yourself in five years? Now It is impossible to know exactly what the future will hold. However, with a plan and vision, and specific goals, you can be intentional about who and what you want to become. Do you see yourself as a content creator in five years? If so, you will need to take daily action to acquire the speaking, editing, and business skills necessary to reach this goal. Or perhaps you want to graduate college in five years. If this is the case, you will need to start building better study habits and self-discipline today.

The purpose of envisioning where you want to be in 5 years is to get you to start taking action today. With a vision and a goal, you have something to strive for. So here is your question once again: Where do you see yourself in five years. Be specific and bold about who and what you want to become.
