# The Sea Monster

**Your mission is to finish writing the following story.**

**Be sure your story is creative and well-written. And be sure you write 150 words or more.**

On the small, windswept island of Tyrus, there was a legend passed down from generation to generation – a tale of an ancient sea creature that lived deep beneath the ocean waves. Few believed in the old stories anymore, dismissing them as fanciful myths meant to scare children away from the rocky cliffs. But Isla, a curious young woman with a love for the ocean, always felt there was more truth to the legend than others admitted.

It was said that the creature, known only as "The Guardian," had been asleep for centuries, guarding something ancient and powerful beneath the ocean floor. The islanders whispered that The Guardian's awakening would signal great change – a shift in the balance of the world.

Isla had always felt a deep connection to the sea. As a child, she would sit for hours on the cliffs, staring into the endless blue, imagining the hidden worlds beneath the surface. She often dreamt of a colossal, shadowy figure moving through the water, its shape indistinct but its presence felt in her bones. Though she told no one, Isla sensed that The Guardian might be real.

Then one day, out of nowhere, Isla saw...

**You need to finish writing the story given. Be sure your story is creative and well-written. And be sure you write 150 words or more.**
