You Get 10 Million Dollars If...

So here is your situation.

You are holding 10 million dollars right now.

However, you only keep this money under certain conditions.

A snail will chase you for the rest of your life, and if it touches you - you die. The snail can't be killed. The snail knows your location at all times. The snail's sole purpose is to find you.

Do you keep the 10 million dollars and live with these conditions, or do you pass on the money and live a life free of the snail? Be sure you write 150 words more.
