Respond to a Quote by an Anthropologist

Great writers not only support their ideas with evidence and reasoning, but they dazzle readers with their depth of thought.

You need to **choose a quote to respond to, and decide if you agree or disagree with that statement.**

Be sure you write 250 words or more, and be sure you support your ideas with ample evidence and reasoning.

Ruth Benedict

No man ever looks at the world with pristine eyes. He sees it edited by a definite set of customs and institutions and ways of thinking.

Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has.

Claude Lévi-Strauss

David Graeber

@DavidGraeber

The scientist is not a person who gives the right answers, he's one who asks the right questions.

We have become a civilization based on work—not even “productive work” but work as an end and meaning in itself.
