Respond to a Quote by an Olympian

Great writers not only support their ideas with evidence and reasoning, but they dazzle readers with their depth of thought.

You need to **choose a quote to respond to, and decide if you agree or disagree with that statement.**

Be sure you write 250 words or more, and be sure you support your ideas with evidence and reasoning.

I have Asthma, allergies, dyslexia, ADD, anxiety, and Depression. But I will tell you that what you have does not define what you can become.

Why Not You!
