## Top 10 List

For the following activity, you need to create a top 10 list on a topic of your choice.

If you like video games, then write a list of the top 10 video games. If you like dirt bikes, then write a list of the top 10 dirt bikes.

Be sure you do not share your top 10 list with anyone. When you are finished, your teacher will read the top 10 lists to the class - and everyone will guess who wrote them.

Write your top 10 list below:

## My Top 10 List
