Random Fact

Your mission is to write down one random fact about yourself. This fact should be something most people don't know about you.

Perhaps you don't know how to whistle.

Maybe you have been to Rome

Or perhaps you are part Filipino.

Or maybe you once stayed up all night playing Super Mario Kart.

What you write is up to you. Just be sure nobody sees your answer. Your teacher will read the responses, and the class will guess who wrote each random fact.

What is one random fact about yourself?
