Create a Fictional Character (Part 2) Write a Creative Story That Includes Your Given Character

Your mission for this task is to exchange characters with a classmate. This means you will give a classmate your character, and they will give you theirs. You need to thoroughly read the details of your given character, and then write a creative story that includes that character.

Your story needs to be 250 words or more. The setting, plot, conflict, other characters, and

viewpoint of the story is your choice. Just be sure you include the character that you were given.
