Edit and Rewrite the Quotes by Famous Scientists

Jane Goodall

@chimpanzeelady

Change happens by listenning and than starteing a dialoge with the people's who are doing some thing you dont beleive is right.

Stephen Hawking

@professorhawking

Remember too lookup at the stars and n ot down at your feets try too make sense of what you sea and wonder about what make the universe existed.

George Washington Carver

@theplantdoctor

When you does the common things in life, in an unccommon way you will command the attention of the world.

Isaac Newton

@SirIsaacNewton

In the absense of anyother proof the thumb alone would convince me of gods existance.

Answers:

1) Change happens by listening and then starting a dialogue with the people who are doing something you don't believe is right.

Jane Goodall

2) Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes the universe exist.

Stephen Hawking

3) When you do the common things in life in an uncommon way, you will command the attention of the world.

George Washington Carver

4) In the absence of any other proof, the thumb alone would convince me of God's existence.

Isaac Newton
