No man ever looks at the world with pristine eyes. He sees it edited by a definite set of customs and institutions and ways of thinking.

Magaret Mead

@MagaretMead

Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has.

Claude Lévi-Strauss

@ClaudeLeviStrauss

The scientist is not a person who gives the right answers, he's one who asks the right questions.

David Graeber

@DavidGraeber

We have become a civilization based on work—not even “productive work” but work as an end and meaning in itself.
