Punctuation Challenge: TikTok

For the following task, you will listen to the video and read the paragraph about TikTok. Then, you will add periods and commas where necessary. Pay attention to where the reader pauses: a long pause indicates a period, while a short pause indicates a comma.

Add periods and commas to the following paragraph.

TikTok is a popular social media app where people create and share short videos the app is known for its viral trends some of these trends include dance challenges lip-syncing and comedy skits users can follow their favorite creators comment on videos and even make their own videos by using special effects and filters TikTok has become popular with teenagers but it's also used by people of all ages while it's a fun way to be creative and connect with others some parents worry about how much time kids spend on it and what content they might see.

Rewrite the paragraph with punctuation below.

Answer:

TikTok is a popular social media app where people create and share short videos. The app is known for its viral trends. Some of these trends include dance challenges, lip-syncing, and comedy skits. Users can follow their favorite creators, comment on videos, and even make their own videos by using special effects and filters. TikTok has become popular with teenagers, but it's also used by people of all ages. While it's a fun way to be creative and connect with others, some parents worry about how much time kids spend on it and what content they might see.
