Silent Debate

For this task, you're going to have an argument with a classmate — but there's a twist: you won't be speaking at all. Instead, you will argue on paper. You'll share your ideas, respond to your partner, and try to convince them of your point of view, all through writing.

If you and your partner agree on the topic given, then go into detail about what you agree on.

Which is better: a cat or dog as a pet?

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
