Silent Debate

For this task, you're going to have an argument with a classmate — but there's a twist: you won't be speaking at all. Instead, you will argue on paper. You'll share your ideas, respond to your partner, and try to convince them of your point of view, all through writing.

If you and your partner agree, don't stop there. Dig deeper: What exactly do you agree on, and why?

Debate Topic: Should students be punished for things they post online outside of school?
