Run-On Sentences

Directions: Watch the video lesson on run-on sentences by scanning the QR code above. Then add punctuation and/or conjunctions (and, but, yet, etc.) to the following run-on sentence to make it a well-written paragraph.

I woke up early this morning I went for a run then I made breakfast I had eggs and toast with coffee for breakfast it was delicious I love breakfast it's my favorite meal of the day sometimes I go out for breakfast with friends we go to this great diner on Main Street they have the best pancakes I love pancakes with maple syrup and butter it's the perfect combination.

Directions: After you have added punctuation and/or conjunctions, rewrite the paragraph below. Keep in mind that there is not one correct answer, but many possible answers to rewriting the paragraph.
