Word of the Year

For the following task, you need to create your **word of the year**. The purpose of this activity is to set a focus or theme for the upcoming year. Your word should prioritize a goal or value of yours.

Write your word of the year below, then write 100 words or more on why you chose that word.

Here are some example words students have chosen in the past:

Balance Growth Resilience Mindfulness Adventure Simplify Connection
Fearless
Gratitude
Health
Creativity
Focus

My word of the year is
Write 100 words or more explaining why you chose your word.
