# 20-word Summary Challenge

**Your mission is to summarize each of the following paragraphs in 20 words (give or take 1 or 2 words).**

Here is an example paragraph and summary.

Cheetahs are known as the fastest land animals, capable of reaching speeds of up to 70 miles per hour. They have distinctive spotted coats and are primarily found in Africa, where they rely on their incredible speed and keen hunting skills to catch prey. These remarkable big cats are currently facing threats such as habitat loss and poaching, which are endangering their populations in the wild.

Example: 20-word summary:

Cheetahs (the fastest land animal) live in Africa and rely on speed and hunting skills to survive. They are also endangered. (21 words)

Peru, located in South America, is a country renowned for its rich cultural heritage and breathtaking natural landscapes. It boasts a diverse geography that includes the Andes Mountains, the Amazon Rainforest, and coastal deserts. Peru is famous for its ancient Inca civilization, with the awe-inspiring Machu Picchu as a symbol of its historical grandeur. The capital city, Lima, offers a vibrant urban experience, while cities like Cusco and Arequipa showcase colonial architecture and indigenous traditions. Peruvian cuisine is celebrated globally, featuring dishes like ceviche and lomo saltado. With a blend of history, culture, and stunning scenery, Peru is a top destination for travelers seeking adventure and cultural immersion.

Soccer, known as football in most parts of the world, has a rich history that traces back centuries. Its origins are believed to date as far back as ancient civilizations like the Greeks, Romans, and Chinese, who played various forms of ball games. However, the modern version of soccer began to take shape in the late 19th century in England, where schools and clubs started formalizing rules and regulations. In 1863, the Football Association was founded, and it established standardized rules for the game. Soccer quickly spread across Europe and South America, with the first international match played between England and Scotland in 1872. The sport's popularity soared, leading to the formation of professional leagues, including the English Football League in 1888. Since then, soccer has become the world's most popular sport, with millions of players and fans participating in leagues, tournaments, and the FIFA World Cup, making it a global cultural phenomenon.
