## Anaphora

## Document five times you encounter anaphora this week, and explain why you think anaphora was used in each situation.

Example:

I heard the following lines repeated in Eminem's song:

"You better lose yourself in the music, the moment. You own it, you better never let it go. You only get one shot, do not miss your chance to blow. This opportunity comes once in a lifetime, yo."

The repetition of "You only get one shot" is used to emphasize the importance of seizing opportunities and giving one's all. By repeating this phrase, Eminem underscores the idea of limited chances and the need to make the most of them. It serves as a motivational reminder to listeners to take risks, pursue their dreams, and give their absolute best effort.
