Extended Metaphors

From the five dissimilar things listed below, create an extended metaphor. Your metaphor should be at least 4 sentences long. Here are your choices.

Video games and Life
A sport of your choice (baseball, football, basketball, etc) and a food of your choice (pizza, hamburgers, salad, etc).
Fire and Learning
The Forest and Shopping
Music and Cleaning
Among Us and School
Choose your own two topics

Here is an example of an extended metaphor that involves music and cleaning.

Great cleaners get into a rhythm when cleaning. There is a beat in which they rinse, and a

tempo in how they scrub. They are orchestrators of their cleaning. There is an anthem of hope their scrubbing prowess. Great cleaners are at harmony when they clean because they know one thing: cleaning is an art, not a chore.
