Find the Metaphor

Underline the metaphors in the following conversation.

Dude, my relationship with Lesly has gone sour.

What do you mean?

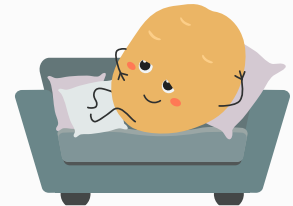

What I mean is love is a battlefield.

Love is what?

A battlefield, dude. Love is war.

Man, you are being dramatic. What happened?

Well, it started when Lesly called me a couch potato

A couch what?

A couch potato, dude.

Why'd she call you that?

She thinks I am lazy because I play video games all day.

Sounds like a stormy relationship, man.

Stormy? This relationship is a disastrous tornado. It's been a wild ride to say the least.

Well, are you going to play less video games?

I have to if I want to keep Lesly. Her eyes light my path, man. She is my soul's compass. She is an angel. When I am with her, I walk on sunshine

Ok, ok. Hold on there, Mr. Poet. But what about Among Us or Spiderman or Minecraft? You need to take life by the horns and not let a girl direct your sails. Are you going to abandon gaming for Lesly?

Nah, man. I am still gonna game, just less.

How much less?

I don't know. Let me think, man.

Well, do you want to think while playing some video games?

Great idea, man. Great idea.
