Guess Who? The Secret Fact Challenge!

Your mission is simple: write down one random fact about yourself—something most people don't know.

Maybe you've never learned to whistle.
Perhaps you once stayed up all night playing Super Mario Kart.
Have you traveled to Rome?
Did you discover that you have Filipino heritage?
Whatever you choose, make sure to keep it a secret! Your teacher will read the responses aloud, and the class will try to guess who wrote each fact.
So, take a moment to think—what's one little-known fact about you? Write it down and get ready for the fun!
