What are Three Languages You Would Like to Learn?

If you could instantly master any three languages, which would you choose?

Spanish? Korean? Russian? Navajo? Georgian? Swahili? Mandarin? The possibilities are endless.

For each language you select, explain why it interests you.

Do you want to learn Korean because you love K-dramas and K-pop?

Does Russian intrigue you because of its rich literary tradition?

The languages you choose say something about you—so keep your selections a secret!

Once you've written down your three languages and your reasons for choosing them, submit your response to the teacher.

Your classmates will then try to guess who wrote each one. Good luck!
