# Creative Story Challenge: Who's the Author?

Your mission is to write a creative story—one full of imagination, personality, and hidden clues.

But here's the twist: you must secretly include the answers to all of the following questions within your story.

- **What is your age?**
- **Which city were you born in?**
- **What is your favorite animal?**
- **What is your favorite type of weather?**
- **What is something you tend to waste money on?**
- **Where is your favorite place to go shopping?**
- **What is your favorite time of day?**
- **What is the name of one of your friends?**
- **What is your favorite subject in school?**
- **What is a phrase you often use?**

For example: If you're 16, you should work the number 16 into the story somehow. If you were born in Minneapolis, make sure Minneapolis appears somewhere. If your favorite animal is a tiger, include a tiger in the plot.

Your story must be at least 150 words long and must include all ten answers in a natural, creative way. When you're done, your teacher will either read your story aloud or pass it around. Your classmates will then try to guess who wrote it based on the clues you've hidden in your writing.

Ready to write your story and see who can guess if it's you?
