Who is on Your NBA Mt. Rushmore?

Imagine you're carving the faces of basketball greatness into a mountainside. You can only choose four players—the absolute best of the best. These are your top four NBA players of all time.

Will you include legends like Michael Jordan or LeBron James?
How about Steph Curry, Kobe Bryant, or Kareem Abdul-Jabbar?
Maybe you'll pick Bill Russell, Magic Johnson, Larry Bird, Wilt Chamberlain, or Shaquille O'Neal?
Once you've chosen your four, write a detailed explanation (at least 100 words per player) about why each one earned their spot.
Choose wisely—and defend your picks with passion.
