## Write a Journal Entry From a Movie Character

Your Task: Choose a character from a movie or TV show and write a journal entry from their point of view. Imagine what a day in their life might look like, and use their unique voice, personality, and worldview to bring the entry to life.

Think about how they see the world, how they speak, what challenges they face, and what makes them who they are. Let their humor, quirks, and emotions shine through.

## For example:

- If you're writing as Buzz Lightyear, you might include bold declarations like "To infinity and beyond!" and describe your galactic missions with intense seriousness and confidence.
- If you're writing as Forrest Gump, maybe you reflect on missing Jenny and casually mention running across several states as if it's nothing unusual.

possibilities, then dive into your journal entry.
