## “About Me” TikTok Script

Your mission: Write a 10-sentence TikTok script about yourself. Each sentence must include the specific literary device listed below.

### Sentence 1: Hook (Alliteration)

Start with an alliterative phrase that introduces your vibe or personality.

Example: *Bold, busy, and barely balanced—that’s me most days.*

### Sentence 2: Character Trait (Imagery)

Describe yourself using sensory details that help the viewer picture you.

Example: *My backpack digs into my shoulders, heavy with books I swear I’ll read.*

### Sentence 3: Setting (Specific Detail)

Show where you spend a lot of your time using concrete details.

Example: *Most afternoons find me at my desk, notebooks open, headphones half-on.*

### Sentence 4: Simile

Compare yourself or your habits to something unexpected.

Example: *I move through school like a speed-walker late to everything.*

### Sentence 5: Metaphor

Describe your mind, personality, or life as something else.

Example: *My mind is a crowded hallway, buzzing with ideas and distractions.*

### Sentence 6: Conflict

Reveal a struggle or challenge you deal with.

Example: *I want to focus, but my attention slips away easily.*

### Sentence 7: Hyperbole

Exaggerate a feeling or situation for effect.

Example: *Some days, it feels like the world is yelling my name nonstop.*

### Sentence 8: Theme

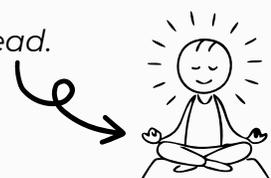

Express a message about growth, identity, or change.

Example: *Still, growth happens when I slow down and choose intention.*

### Sentence 9: Reflection (Tone Shift)

Shift the tone to thoughtful, hopeful, or determined.

Example: *Lately, I’m learning to pause before reacting or rushing ahead.*

### Sentence 10: Closing Line (Symbolism)

End with an image or object that symbolizes who you are becoming.

Example: *I’m becoming someone who plants roots instead of chasing noise.*
