Create a Drawing From a Descriptive Paragraph

(A Moment in the Park)

For this task, you will read a descriptive paragraph carefully. Your goal is to draw a picture that accurately shows the details described in the text.

A large tree rises in the center of a quiet park, its bright green leaves shaped like tiny hands reaching toward the sky. Beneath its wide branches sits a simple wooden bench, where a man and a woman are deep in conversation. High above them, a red kite is tangled in the tree's tallest branch, its tail fluttering like a ribbon in the breeze. Nearby, a squirrel pauses with an acorn clutched in its paws, staring up at the stranded kite. In the distance, gentle hills roll softly toward the horizon, while a few fluffy clouds drift lazily across a pale blue sky.

A large, empty rectangular box with a thin black border, intended for the student to draw a picture based on the descriptive paragraph.
