Mad Lib Story Challenge

For the following task, you will complete the mad lib below.
Then you will write a story from your response.

Write a story that takes place in a (adjective)_____ (place)_____,
where a (adjective)_____ (animal)_____ and a
(adjective)_____ (person)_____ are best friends.

However, these characters must face an evil (animal)_____ that threatens to
destroy (something they care about)_____

Along the way, they must use (object)_____ and make a difficult choice that tests
their friendship.

By the end of the story, the characters learn that (lesson or value)_____

Example Response

Write a story that takes place in **a snowy forest**, where a **brave squirrel** and a **curious boy** are
best friends.

However, these characters must face an **evil wolf** that threatens to destroy the forest they call
home.

Along the way, they must use **an old map** and make a difficult choice that tests their
friendship.

By the end of the story, the characters learn that **trust matters more than strength**.
