Word Alert
Objective:

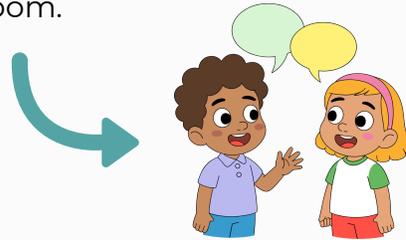

Use your **secret word** naturally in conversation without getting caught.

Setup

- Each student receives one flashcard with a secret word written on it.
- Students must keep their word hidden from classmates.
- Everyone stands up and moves around the room.

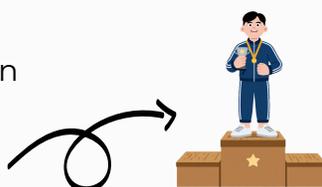

How to Play

- Start casual conversations with classmates.
- Work your secret word into the conversation naturally.
- If you think a classmate used their secret word, you may guess **once per conversation**.
- If the guess is correct, you take their card.
- If the guess is incorrect, the speaker keeps the card.
- You may not guess again in that same conversation.
- You must use your word in the conversation.

How to Win

- The **winner** is the student who collects the most cards by the end of the time limit.
