# 20-Minute Expert

In this activity, you will become an “expert” on a literary or rhetorical device in just 20 minutes. Your goal is to learn as much as you can, then write and share what you’ve learned—without using your notes.

## Your Task

- You will have 20 minutes to research your device.
- After time is up, you must put all notes away.
- Then, write 150 words or more from memory only.
- Finally, you will share what you learned with a partner.

## Choosing Your Device

You must choose the device that matches your birthdate.

## Example:

If you were born on June 17, you will research Device #17.
