500-Word Freewrite Challenge (Social Media)

In this activity, you will write a 500-word free response that showcases your ability to think deeply and communicate clearly.

You will choose ONE of the prompts below and write a minimum of 500 words in response.

Your writing should:

- Present a clear central idea (this can be implied or directly stated)
- Develop your thinking with specific examples, reasoning, or reflection
- Maintain focus and organization throughout
- Demonstrate control of grammar, punctuation, and sentence structure

Choose ONE prompt from below:

Is social media more harmful or helpful for people your age?

How does social media affect people's confidence and self-image?

Why do people feel the need to post their lives online?

Is social media real life—or a curated version of it?

How does social media influence the way people think or behave?

Should there be age limits or restrictions on social media?

How does social media impact friendships and relationships?

How does social media affect attention span and focus?

Should students be allowed to use social media during school hours?

How does social media shape trends, opinions, or beliefs?
