# EduTok Writing Challenge: How to Survive \_\_\_\_\_ Grade

LIVE

Objective: In this activity, you will write a TikTok-style script that teaches next year's students how to survive your grade level. Follow the structure provided below.

## Sentence 1 — Hook (Short & Attention-Grabbing)

Must be 8 words or fewer.

Example: *Listen, this grade is no joke.*

## Sentence 2 — Set the Stage

Describe what this grade is really like.

Example: *At first, everything feels easy, but it changes fast.*

## Sentence 3 — Relatable Problem

Describe a struggle most students face.

Example: *Most students fall behind because they stop paying attention.*

## Sentence 4 — Direct Advice

Give your first piece of advice.

Example: *Stay focused, even when things feel boring.*

## Sentence 5 — Example or Explanation

Explain or give an example of your advice.

Example: *If you waste time early, the work piles up quickly.*

## Sentence 6 — Second Piece of Advice

Give another tip.

Example: *Also, don't ignore your assignments.*

## Sentence 7 — Shift (Important Realization)

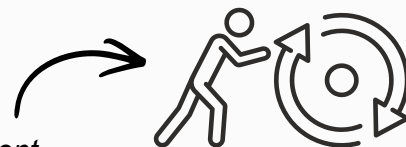

Use a transition like "But here's the truth..."

Example: *But here's the truth, this grade is harder than it looks.*

## Sentence 8 — Strong Insight

Share something meaningful or unexpected.

Example: *The students who succeed are the ones who stay consistent.*

## Sentence 9 — Final Advice

Give your most important tip.

Example: *Do your work, ask for help, and don't fall behind.*

## Sentence 10 — Mic-Drop Ending

End with a powerful or memorable line.

Example: *If you procrastinate too much, you're done, bruh.*
