Emoji Biography

In this activity, you will write a biography of an emoji. Your goal is to take a simple emoji and turn it into a real "person" with a life story, personality, and experiences.

Think of this as telling the story of someone's life, from beginning to end, but your subject is an emoji.

You must choose the emoji that matches your birthdate.

Example:

If you were born on June 17, you will write using Prompt #17.
