

**TikTok is  
more  
educational  
than school.**

**School  
should only  
be 4 days a  
week.**

**Homework is  
a complete  
waste of time**

**Phones  
should be  
allowed all  
day at  
school.**

**Group  
projects do  
more harm  
than good.**

**AI will  
replace most  
jobs in the  
future.**

**Grades don't  
actually  
measure  
intelligence.**

**School  
lunches  
should be  
free and  
unlimited.**

**Social media  
is more toxic  
than helpful.**

**Influencers  
work harder  
than most  
adults.**

**YouTube is  
the best way  
to learn  
anything.**

**Viral fame is  
more valuable  
than a college  
degree.**

**Students  
should be  
allowed to  
use AI for all  
assignments.**

**Students  
should be  
able to skip  
classes they  
don't like.**

**Being bored  
is actually  
good for you.**

**Texting is  
ruining  
communication  
skills.**

**Everyone  
should have  
a personal  
brand.**

**Success  
depends  
more on hard  
work than  
luck**

**Teachers  
should be  
paid like  
professional  
athletes.**

**Kids today  
have it  
harder than  
adults think.**

**Gaming is a  
legitimate  
career path.**

**Watching  
short videos  
is ruining  
attention  
spans.**

**Social media  
creates  
unrealistic  
expectations.**

**First  
impressions  
are almost  
always  
wrong.**

**Confidence  
matters more  
than talent.**

**Most people  
give up too  
easily.**

**Money can  
buy  
happiness.**

**Failure is the  
best teacher.**

**People judge  
others too  
quickly.**

**Being  
popular is  
overrated.**

**School rules  
are too strict.**

**Being busy is  
a good thing.**
